Subject: FW: Juneau County MOU press release

Hi Allison,

See below from Jim Dick. Jim Zellmer is our division lead on this – I'll check with him, but it appears right now we're waiting on two county boards to approve the MOU before we can send out a release. Hope that helps. As soon as I (or Jim) know more I'll let you know.

Thanks!

We are committed to service excellence.

Drew-

Jim Zellmer is the one to check with on this. Last word was he asked program to draft a news release and send to us but a release would not go out until the Juneau and Wood county boards approved the MOU and that wouldn't happen until Dec. 18.

Jim would know if that's still the plan.

Subject: Juneau County MOU press release

Hi Andrew,

Thanks for taking my call. As I mentioned, we received notice that the MOU was signed by the DNR Secretary and wanted to touch base on communications. My understanding is that WDNR plans to issue a press release that will include a quote from our Regional Administrator. Please let us know if this is correct -- and if you know the timing of the announcement.

Thanks,

Allison Lippert
